Year 6 into 7 Transition Day—What a great day!

The future Year 7 2017 had a great day at Wauchope High School on Wednesday meeting their Year Advisors; Mrs James and Mrs Jensen affectionately known as the 'Double J's'.

The students had fun exploring the Agricultural farm, trying a Maths quiz, a Music class, a Science experiment, Aboriginal painting, African drumming and a Drama class, all this followed by a sausage sizzle. And then a show bag to take home...how much fun can a student have in one day?

Mrs James and Mrs Jensen look forward to welcoming Year 7 students and their parents on Orientation Day 6th December. Details to follow.

How lucky are Year 7 to have such lovely people as their Year Advisors, Mrs Jensen has already picked her outfit for their Year 12 Formal in 2022!

Year 6 into 7 Transition Day

Science students in years 8 and 9 have been experimenting with the construction of steam turbines. A group of students in Year 8 including Corey, Jarren and Holly are engineers in the making. They constructed a Steam Turbine with outstanding proficiency. The Steam Turbine worked through the use of heat energy from the Bunsen Burner to generate steam to mechanically turn the turbine blades. These students used inventive strategies to create a functional Steam Turbine.

Mock Trial Team

Congratulations to Hannah, Tarnay, Ben, Taylor , Cooper, Georgia, Brittany ,Meg (absent), Laura(absent) for their participation in this year's round of Mock Trials.

Well done and congratulations on a great effort!

Under 14's Cricket

Wauchope high defeated Westport in Round 1 of the NAB Shield, played at Ladrigan Park this week.

Wauchope batted first and made 156, nearly lasting the 40 overs. Corey, Zarn and Wayde were the leading contributors.

Westport fell well short of the target, with wickets shared between Hayden, Jack, Corey and Lincoln.

The boys now play Camden Haven in Round 2.

Japanese Drumming

On Monday 17th October students from year 8 participated in a Japanese Drumming workshop. Sensei Kiyomi lead the students in a traditional drumming activity which required students to exercise their skills in watching, listening and teamwork. Students had to keep the beat as they moved around the circle and changing drums. Chloe proved to be the strongest drummer on the day leading by example and following all instructions!
