Wauchope School Leaders 2016

Congratulations Maddie McKittrick.....Just WOW!!!!

Recently Maddie, and her brother Owen, received high distinctions in the Australian Geography competition. Maddie has now been selected as one of only 16 students in the country to attend the *2016 Geography Big Week Out* on North Stradbroke Island on the last week of term. From this event, four students will be picked to represent Australia in Serbia at the 14th International Geography Olympiad

Calendar of events

Tuesday 31st January	First Day for Students in Years 8, 9 & 10

French students celebrate with a crepe'

Bon Appetit!

Year 7 LOTE French students have been studying a unit on French Food - La Nourriture.

During this unit students had the opportunity to sample some French cuisine.

Last week Madame Munro treated the students to Crepes! Delicieux!

Hastings Co Op 100th Birthday Celebrations

Mr Brennan and our talented music students entertained the crowds at the Hasting Co-Op 100th Birthday Celebrations at Wauchope Showground on October 22nd.

Year 8 Camp

Last week 60 students from year 8 travelled to Coffs Coast Adventure Centre for 3 days of fun. While there they undertook a range of activities that required them to face their fears and step outside of their comfort zones. These included zorb balling, giant swing, mega drop and archery. The commando course was a firm favourite, and the winning team proved that working together is the key to success. Also popular was the Gaga pit, where students spent hours of their free time pitted against each other in a version of dodgeball.

Thank you to all of the students who represented Wauchope High School so well. An extra big thanks also has to go out to Ms Jones, Mr Bowen and Mr Dragos for giving up their own time to accompany the group.

Miss Stewart

Lucky Winner

Wauchope Patchwork Quilters recently held their annual 'Frocktober' event to raise funds for women's cancer research. As part of their fundraising a quilt was made and raffled raising \$3500, a great effort !

Martin Hogenboom won the quilt, both he and his wife, Michelle are really pleased with their win. A number of our staff are active members of the Wauchope Patchwork Quilters Guild where charity quilts are made and either raffled to raise funds for charities or donated to various organisations in our community and beyond.

ALLIED HEALTH CERTIFICATE III

HVTC SCHOOL-BASED TRAINEESHIPS

How does a school-based traineeship work?

The traineeship is completed as part of the HSC during Years 11 and 12. Students complete a minimum of 100 days accredited training and eight hours per week of paid on the job employment during the period of the HSC. The trainee can work extra hours during the school holidays, weekends or after school.

This school-based traineeship role provides assistance to allied health professionals such as physiotherapists, occupational therapist and speech pathologists.

Work may include following treatment plans for therapeutic rehabilitation of patients and/or conducting programs under the supervision of an allied health professional.

Hear about one of our trainees' experiences at <https://www.youtube.com/watch?v=BBeYnQnFwhA&t=2s>

SKILLS AND ATTRIBUTES

To be successful in this role you will need to:

- Have good communication skills.
- Be patient and courteous.
- Have strong time management skills.
- Be interested in the health industry.
- Possess the ability to work in a team.
- Be physically fit.

TO APPLY

Applicants must be commencing Year 11 in 2017.

Apply online at www.hvtc.com.au/jobs, select the relevant position (job reference #TP000301) then click the 'Apply Online' button at the bottom of the page.

Earn while you learn

Paid employment, work experience and valuable skills

Gain a nationally recognised qualification

A reminder to parents to notify the school about your child's health

We welcome information from parents about your child's health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child's health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child's health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter's health needs or as otherwise required by law.
