Wauchope School Leaders 2016

Calendar of events

Monday 10th October	Students return from holidays refreshed and ready to learn
Thursday 13th October	HSC Examinations begin
Wednesday 19th October 9:30am	Year 7 2017 Transition Day

Today was a very special day as we celebrated the end of 13 years of schooling with the graduating class of Year 12 2016. Their final assembly was well supported by family and friends and included a number of heartfelt and moving speeches by students and teachers as well as recognition of the significant achievements by all students over the past 12 months.

I would like to acknowledge the large amount of work done by staff in making sure that the assembly and morning tea that followed went smoothly and was a fitting celebration for students and their families. Thank you and well done.

In farewelling the 2016 Year 12 cohort we wish them well for the future and encourage them to aim high, work hard and never give up on their dreams. We also hope that they keep in touch with the school over the coming years and let us know of their achievements and successes.

I would like to take this opportunity to congratulate our new Student Leadership Team for 2016-17. Our new School Captains, Georgia Malcolm and Zack Mason will be ably assisted by our new Vice Captains, Maddison McKittrick and Cooper McCallum. Our congratulations also go to Melissa Brady who was elected as our new SRC President. I look forward to working with this team over the coming 12 months. In passing I would also like to thank Chloe Housman, Dean Hollis, Samantha Mead, James Scott and MJ Casey who have been a fantastic team to work with over the past 12 months.

Year 9 arrived back from their week away this afternoon looking very tired but satisfied. I am sure there will be many stories to share with family and friends over the school holiday period. A special thank you goes to all the staff involved, especially Mr Halliday, the Year 9 Adviser. Often we forget what a major commitment staff make to ensure the successful running of these very large events. Well done and thank you to all.

As we move into the school holiday break I would like to thank everyone for their work and support over the past 10 weeks. I encourage everyone to have a relaxing break, however, I do expect those students who still have HSC examinations to sit to use this time wisely in preparing for those examinations. We look forward to welcoming all students back to school on Monday 10th October.

Regards
Glen Sawle (Principal)

Rotary Public Speaking Competition

On Tuesday night, I had the pleasure of attending the Rotary Youth Public Speaking Competition at Wauchope Rotary Hall. Our competitors, Emily Kidd and Ashleigh Stafford, both from Yr 10 represented Wauchope High School with articulate flair.

Each spoke for 5 minutes on very different topics. Emily spoke about Generation Y and addressed the question of whether or not they are lazy, unreliable and technology addicted or just simply misunderstood and Ash chose a moving topic that looked at the role of nurses during WW1. Both girls were animated, engaging and interesting and I would like to congratulate both students on such a fine job. It was a close

competition but a winner needed to be awarded and first place was given to Ashleigh Stafford. I would like to thank Wauchope Rotary for their wonderful hospitality and for providing such an excellent opportunity for our students. Ash will now represent Wauchope at the cluster final in November.

Congratulations Ryan on your BMX success

Ryan travels to Taree once a week to race BMX at the Manning Valley BMX club, this is Ryan's 3rd year of racing. this year he has been traveling to compete in events which lead up to being eligible to ride in the NSW State Series. On 2 October Ryan will compete in the final event for the year the NSW State Series held in Penrith, this is the best riders from all over NSW, Ryan is sitting 11th in NSW.

On Sunday Ryan rode at Lake Macquarie BMX club in an open event and came 6th in the finals. Ryan's age group is one of the largest often having 27 riders at events so it is a big deal to make the finals.

Ryan is a quiet achiever he never complains when he doesn't make a final or if he gets beaten he always comes off the track with a smile and is improving every race.

Year 12 Formal

Tickets are now available for the Year 12 Formal to be held on Thursday 10th November at the Wauchope RSL starting at 5:30pm

Ticket price - \$50 for students and \$40 for guests, payable at the front office

Leo Club Cupcake Day Fundraiser

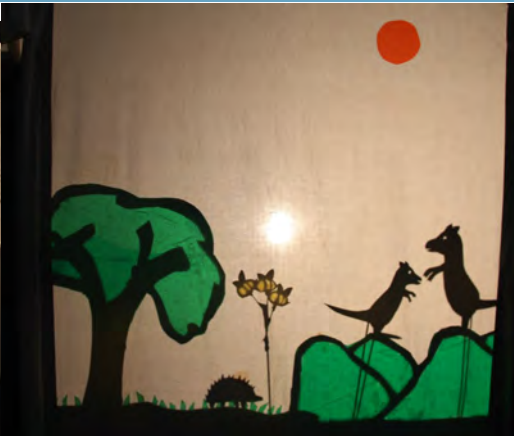

On the 19th of September Jackie Wright, who is the local president of the R.S.P.C.A. came to our assembly to accept the money raised from the Cupcake sale. She brought along her pet Labrador Sukie who is a pet therapy dog, she visits the nursing homes residents are able to recall memories of their own pets previously forgotten due to memory loss.

Jackie accepted a \$340 cheque from the Leo Club which was raised thanks to the Cupcake sale. It was a huge success and we hope to have an even bigger and better cupcake sale next year. Our aim is to raise \$400 or more too donate to those poor animals that deserve a second chance in life. Thank you to everyone who bought a cupcake and we hope you will join us next year.

Year 8 Shadow Puppets

Yr 8 Drama students have been experimenting with Shadow Puppets this term with outstanding results. Their task was to tell a Dreamtime story using Shadow Puppets. They had to design and make each of the Puppets themselves and work

together to create an engaging and original performance. Last Friday, the Yr 8 students performed for the Yr 7 Drama club and were very well received. I was incredibly impressed with the creativity, determination and enthusiasm with which the students approached this task.

Mrs Jensen

Year 7 Design and Technology

Mrs Chegwiddden's class are pretty happy with their cushions. What great work , made from 4 panels - Chenilling, tie dye, Zentangle and decorative stitching

Year 8 Food Technology

Mrs James' Year 8 Food Technology class has been busy this week
Look out Zumbo!

The Treehouse garden takes shape

Term 3 has been a busy time at the 'Treehouse'; our new student wellbeing space, HQ of the WHS Wellbeing Support Team and Social Worker hub!

We have planted a veggie and herb garden so that we can enjoy fresh, healthy home-grown salads in term 4, We are also busy creating our 'Zen Zone' head teacher of wellbeing Ms Sipkes is guiding students and staff to create a lovely mural, and next term we're moving onto the next project ,

giant colouring-book walls!

'Mindful Mondays' and 'Feelgood Fridays' have been well attended and supported by students in term 3. We have enjoyed lunchtime activities such as meditation, creating worry stones, arts and crafts and other activities that promote mindfulness and wellbeing. Looking forward to term 4!!

Mid North Coast Rugby Trials

On Wednesday September 7 the Wauchope High School girl's rugby teams headed to Crescent Head for the Mid North Coast U15's and U17's rugby trials.

Last year at the trials there were about 40 girls. This year, due to the success of the Australian Women's Rugby 7's Team at the Olympics, there were 197 girls in attendance.

The girls were tested in a number of areas including a 40m sprint,

the number of burpees they could do in 60 seconds, cleaning out, tackling and passing. The girls also played some games in which they performed extremely well.

The following girls were successful in making the teams which will be representing the Mid North Coast at the U15 and U17 7s State Championships. The State Championships will be played in Coffs Harbour on the weekend of the 29th and 30th October. The tournament will be run by the NSW Waratahs.

A huge effort from the girls with so many girls trying out. Congratulations to them. We wish them well.

Where are they now?.....Ryan hits the big time

One of our ex students from the Support Unit , Ryan Stolle, will make his radio debut. on the Ray Hadley Show on Mondays 9:30am .

Michelle Percival from Percival Real Estate and 2MC FM have organised Ryan to do a 1 minute (150 word) segment each Monday during the Ray Hadley show.

Ryan is pretty stoked and turned up for his meeting last week dressed in his black suit and looking very professional. He has met all of the staff at Percival's in both offices (who thought he was wonderful) and handled himself brilliantly.

Good luck Ryan, we will be listening.

The Special Unit's Pom Poms make it to Rio

In SU2 this term we have been learning all about the Olympic and Paralympic Games. We have looked at the history and modern day games, all the events, medals and individual athletes.

Our classroom is looking amazing; we have a colourful artwork display, thanks to the students of SU2.

Most excitedly we made yellow pompoms. The pompoms symbolized the blooms of our native wattle tree. Our pompoms were sent to Rio to support the Australian Steelers Wheelchair Rugby team. A lot of the team had family that were not able to travel to Rio with them this year. We sent a homemade best of luck card, the students each wrote individual messages of support.

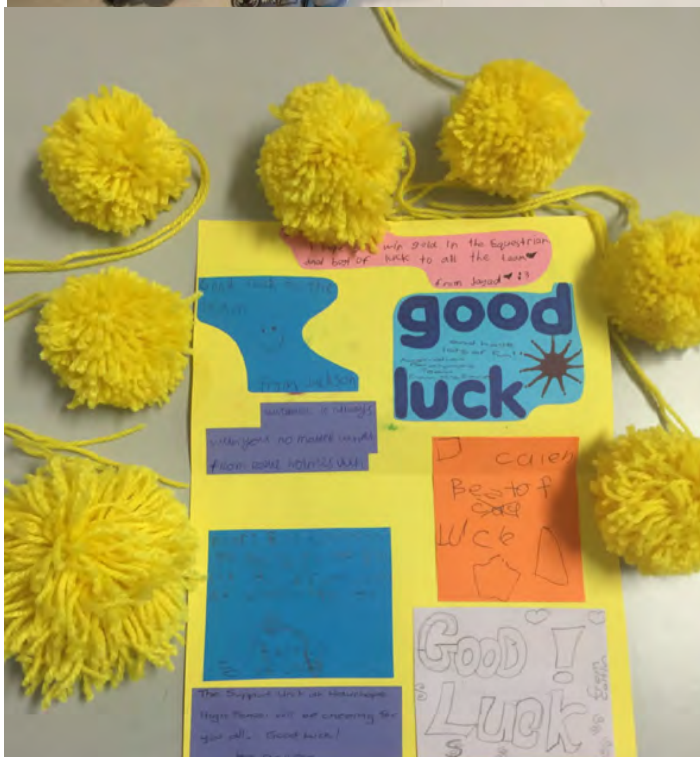

We were excited to see our local Wheelchair Rugby athletes Ryley Batt and Cameron Carr and their team mates bring home the gold.

Hi Jo,

Thanks for your message and support. Thanks also to you and your class for making Pom poms for our tree, please pass on our thanks to your students. Yep, no worries about using our team picture for your school newsletter along side the other pics.

Many thanks
