Students getting their fix

A group of year 11 and 12 students showed initiative to improve their learning by attending a Skillfix session on Wednesday, run by Future Moves @ Charles Sturt University. Implementing study timetables, knowing preferred learning styles, setting goals and managing a healthy lifestyle will not only aid senior studies but promote success in post school work and study.

Year 12 Geography Fieldwork – Kooloonbung Creek

On 16th March Year 12 Geography students went to Kooloonbung Creek Nature Park in Port Macquarie. This compulsory fieldtrip gave students valuable hands of experience of Intertidal Wetlands as part of their Ecosystems at Risk Unit. Special thanks to Mr Matt Bell from the 'PMQ Hastings Council Bush Regeneration Team' and Mr Colin Hardwick from 'Friends of Kooloonbung' who supported students on the day.

Heading off on the 3 day HSIE excursion to Sydney.
