Year 7 2020 Orientation Day	Tuesday 3rd December

Southern Cross University Excursion -Coffs Harbour Campus

This week forty three students from Wauchope High School attended Southern Cross University at Coffs Harbour Campus. It allowed our students to explore educational options at Southern Cross University.

A program was organised at the University looking at the new state of the art Allied Health building. The building houses courses such as Occupational Therapy and Exercise and Sports Science. The second half of the day saw the group enjoy a visit to the National Marine Science Centre. The NMSC is a teaching and research facility of Southern Cross University. Located on the edge of the spectacular Solitary Islands Marine Park, the centre is one of the world's best situated facilities for studying coastal and marine habitats and their inhabitants.

This excursion was an amazing opportunity for our students. The forty three students were all fantastic ambassadors of Wauchope High School. Their mature and co-operative approach made them a pleasure to be part of this trip. A special thank you to Karina for her support on the day.

Mark O'Brien

Faculty Excellence Awards

Every Monday on assembly a different faculty will be presenting their Faculty Excellence Awards. Students will be chosen for being consistently engaged and achieving academically within that subject area. Congratulations to the following students.

Mathematics

Wauchope High School Photography Competition 2019

Last term Wauchope High School held its annual photography competition. The competition was fierce in almost all categories with a very high calibre of photographs, Ms Moy found it very difficult to choose the winners! This year's winners were:

Family and Friends – Mrs Elaine Smith,

Natural Environment – Jazmine Kenzig,

Built Environment – Piper Aquel,

Animals – Ella Martin,

Holidays – Emily Johnson,

Roads to Reading – Polawat Promchinda,

Peoples Choice – Emily Gorley.

Honourable mentions also went to Tahlia De La Mare and Mrs Christy Howell.

Wauchope High School Photography Competition

Congratulations to Jessie Wade and Kirstan Bird who received the UNE Vice Chancellor's High Achievement Award. These awards arrived too late to be included in the Year 12 Farewell

2019 YEAR 10 WORK EXPERIENCE PROGRAM

During 2019 the school, with the cooperation of the business community, will be running a Work Experience Program for our Year 10 students.

This year the program will be conducted during the following week:-

Monday 25th November to Friday 29th November 2019 inclusive-Week 7

And /Or

Monday 2nd December to Friday 6th December 2019 inclusive-Week 8

And /Or

Monday 9th December to Friday 13th December 2019 inclusive-Week 9

As in past years, this program will prove most useful in giving students a broader appreciation of the world of work and also prepare them for the important decision making processes relating to their future careers.

Students will be required to find their own work stations and to find their own methods of travel to and from work each day. **The work experience program is not mandatory for our students.**

We must point out that students will have to comply with strict deadlines set down by the school for the return of all permission notes, documents and return of Student Placement Records; otherwise they will be excluded from the program and will have to attend school during the Work Experience week. **Please ensure the Student Placement Record (enclosed) is fully completed and signed by the student's parent and the host employer and returned to the Careers Office at school by no later than Friday 8th of November.**

Students are also required to complete a **mandatory** Work Health Safety Awareness booklet prior to going out on Work Experience. This booklet can be collected from Mr O'Brien.

As parents, you have an important influence on student career planning. Please discuss the Work Experience job choice/s with your son or daughter and ensure they are being realistic in relation to their abilities, interests and the program. Students are encouraged to make appointments and ensure they present themselves adequately when approaching prospective employers. If you have any questions or concerns please contact me at school.

Why is school uniform important?

The wearing of school uniform promotes a positive image which reflects our values and position in the community.

Correct school uniform demonstrates our students' pride in their school. This is very important for those students who represent the school in sporting events and extra curricular activities.

Cumberland High School green shirt is not considered correct school uniform.

The Uniform Shop is open on Monday and Friday from 8:30am to 9am.
